REPORT

OF THE

Committee on Medical Societies,

Appointed at the Fourth Annual Meeting of the

ONEIDA COUNTY HOMEOPATHIC MEDICAL SOCIETY,

October 16, 1860.

It will be observed, by reference to the accompanying Abstract of the Laws relating to Medical Societies, that—

“HOMEOPATHIC PHYSICIANS” are authorized to “organize County Homeopathic Medical Societies.”

“FIVE” Physicians are necessary to form a Society.

When there are not *five legally qualified* physicians in one county, they are permitted to “*associate with the Physicians and Surgeons of an adjoining county*” in forming a Society.

The FIRST meeting at which an organization is effected must be held “*at the place where the County Courts are appointed to be held in their respective counties.*”

“It is the duty of the Secretary of each of the County Medical Societies, to lodge in the Office of the Clerk of their respective counties, *a copy of all the proceedings had at their first meeting.*”

The Officers are, a President, Vice President, Secretary, Treasurer, and from three to five Censors.

They are to be elected by ballot, *at a regular Annual Meeting.*

The STATE HOMEOPATHIC MEDICAL SOCIETY consists of delegates from County Homeopathic Medical Societies, and each County Society is entitled to *as many Delegates as there are “Members of the Assembly from that county.”*

In order to act as a *Corporate Institution* a “Seal” must be adopted.

The following is a suitable form of invitation to the first meeting :—

“ *To the Homeopathic Physicians of ——— County :*

You are hereby requested to meet at the office of ——— in ———, at ——— o'clock A. M., on ———, for the purpose of organizing a County Homeopathic Medical Society, in conformity to the Act passed April 13, 1857.

Dated ———.

Signed

——— ———”

After appointing a temporary Chairman and Secretary, a resolution similar to the following should be adopted :—

“ Resolved, That the Physicians and Surgeons present proceed to organize a Homeopathic Medical Society for the county of ——— in the State of New York, in pursuance of an act entitled ‘an Act to Incorporate Homeopathic Medical Societies, passed April 13, 1857.’ ”

The Committee would urge the formation of County Homeopathic Medical Societies for many important reasons, among which the following may be specified :

To secure the permanent establishment of a State Homeopathic Medical Society.

To conform to the statutory enactments of the State, and secure the protection thus afforded. “ Licensed Physicians,” or “ Physicians and Surgeons authorized by law to practice their profession,” are those *only* who are “ members of County Medical Societies,” or who have received a “ Diploma” from one of the “ Incorporated Medical Colleges in this State,” and have “ deposited a copy of such license with the Clerk of the county where they reside.” All others are considered as *unlicensed* practitioners, and although they may by the law of 1844, collect debts for services rendered, are yet liable in cases of alleged mal-practice, in a *criminal* action for a misdemeanor, and upon conviction may be *imprisoned in a county jail*. The licensed practitioner, however, although liable in a *civil* action for damages in such a case, *cannot be imprisoned*.

To secure the legal right of teaching, which is conferred on those only who are “ duly authorized by law, to practice their profession.”

The People of the State of New York, represented in Senate and Assembly, do enact as follows :

SECTION 1. It shall be lawful for Homeopathic Physicians, in each of the counties of this State, to meet together on the first Tuesday of May next, at the place where the County Courts are appointed to be held in their respective counties, and organize County Homeopathic Medical Societies, in the same manner as provided in an act entitled "An Act to incorporate Medical Societies for the purpose of regulating the practice of physic and surgery in this State," passed April 10th, 1813. If the said Physicians shall not meet and organize themselves at such time and place as aforesaid, it shall be lawful for them to meet at such other time as a majority of them shall think proper, and their proceeding shall be as valid as if such meeting had been held at the time before specified.

§ 3. This shall be and is hereby declared to be a public act.

§ 4. This act shall take effect on the first day of May next.

To the Homeopathic Physicians in the State of New York.

Last spring it was thought desirable, by a number of Physicians, that immediate measures should be taken for the permanent organization of a State Homeopathic Medical Society; and it was then proposed to call a preliminary meeting of delegates from the County Societies already formed, with reference to that object. But after further consideration, and in view of the small number of County Societies that have been established, it was concluded to defer it until a *larger number of these associations shall have been organized*. It becomes, therefore, very important that Societies be formed as early as possible in every county where Homeopathy has the requisite number of practitioners.

It is believed that if the services of at least one Homeopathic Physician in each county, who is interested in promoting this object, can be secured, the desired result will be attained.

For the purpose of awakening an interest in this subject, and of securing the early formation of a County Homeopathic Medical Society, *will you* commence a correspondence with the Physicians in your own and one or two of the adjoining counties, urging the importance and necessity of its speedy accomplishment.

It is with a great deal of interest that we have seen the
announcement of the meeting of the Homoeopathic Medical Society
of the State of New York, and it was with a feeling of satisfaction
that we have seen the names of the members of the Society
who are to be present at the meeting. It is a pleasure to
know that the Society is so well represented, and that the
meeting will be a successful one. It is a pleasure to know
